Reverse Sanskrit Dictionary

Rückläufiges Sanskrit-Wörterbuch

The purpose of this file is to search for Sanskrit words ending with a certain word or ending

For instance, if you want to know all compound words ending with ...yoga, search for yoga#
If you want to find all nouns declined like rājan, i.e. the nouns ending in ...an, search for an#

The meaning of the words found in this way must be looked up in the ordinary dictionaries,
e.g. in "Böhtlingk, Sanskrit-Wörterbuch", or in "Monier-Williams, Sanskrit Dictionary", etc.
